Menalite	Assorted x 42 Small Goddess Stone/ Clay Baby/ Fairy Stone Menalite is a clay concretion. Con comes from the latin together and crescene is to grow. It is layers of mineral that form round a central core in a roughly spherical way. It removes fear, increases, fertility and allows you to journey to other realms. Its beautiful, complex, soft, awkward and accidental. These cosmic anchors are also called a clay babies .	Moussa Cambridge Philip Cornett	#ings Saturday Socials Cubitt Gallery
